
Cecilia Powers, LCSW-S
Court Ordered Child Custody Evaluations

CHILD CUSTODY EVALUATION ADVISEMENT FORM

Cause Number:

Children's Names:

I, the undersigned, understand that the Court has appointed Cecilia Powers, LCSW-S to conduct a Child Custody Evaluation regarding the above-named child or children. Cecilia Powers, LCSW-S will be referred to as the "Evaluator". I understand the particular individual named to conduct the evaluation has been designated by the Court and/or a formal agreement of the parties.

I further understand that meetings and interviews with the Evaluator are for the purpose of assisting the Court and the parties involved in making decisions in the best interest of the child or children involved. I acknowledge that the evaluation is intended to be thorough, objective, independent, and in conformity with recognized best practices at the time this evaluation is conducted, as appropriate to the specific situations of this case.

I understand that the Evaluator will attempt to obtain all relevant information from all sources needed to address the issues before the Court. I understand and acknowledge that the Evaluator will use their professional discretion in making any and all decisions regarding who must be contacted, how extensive those contacts will be, and what information shall be obtained and reviewed. I recognize this includes review of any previous evaluations or home studies, if such reports exist.

I understand that although I may be providing payment to the Evaluator, they are working for the Court, under court appointment, and the outcome of the evaluation may or may not favor my position or be something that I am in agreement with. I recognize that I may refuse to participate in the evaluation, and acknowledge that the nature and extent of the consequences of any refusal to participate should be discussed with legal counsel.

I understand that there is no audio or video recording of the Evaluator during any interviews with adults or children, while in the home or at any other time for any purpose.

RETAINER:

I understand that a retainer for the full fee of the evaluation is due in advance. The Court may order each participant to pay an equal share of the fees, assign one participant to pay the total fee for the evaluation, or order a disproportionate split of the fees for the evaluation. At least half of the retainer must be paid prior to scheduling the first interview and the remainder paid at or before the first interview. Payment may be made by Zelle, money order, check, or cash. Credit card payments will have

an additional 3% service fee. Check or money order may be made out to Cecilia Powers, LCSW-S. I understand that this retainer may be increased based on additional individuals to be interviewed, the necessity of extensive records review, or other case-specific factors, and that any additional retainer amount is due upon billing and prior to submission of the report to the Court.

FEES:

I understand that a completed evaluation is billed at a flat rate. This base rate covers interviews of up to five persons (adults and/or children) involved in the case. There is an additional charge per party for each additional person to be interviewed beyond the first five.

The base rate also covers the collection of standard collateral information, review of basic documentation, and completion of a report to the Court. It does not cover review of depositions, review of Child Protective Services records, or other substantial records review over one hour in length per party. It does not cover any administrative or other hearings related to this case. It does not cover fees related to receiving records. These fees will be invoiced to each party equally. The evaluation will not be filed with the Court until these fees are paid in full. Unless otherwise specified, such additional work is billed in quarter hour increments based on the standard hourly rate as noted below:

Base Rate (per party)	Additional Interview Charge (per party)	Standard Hourly Rate for Evaluations
\$1300.00	\$75.00	\$125.00

Unless otherwise specifically ordered by the Court, fees for services will be split between the parties. Should the case settle or my services otherwise terminate prior to the completion of a report to the court, refunds will be issued based on actual time worked on the case, billed at the standard hourly rate, with all administrative time spent billed at the hourly rate. Refunds will be issued only if there is a remaining retainer on account for the case, and then only up to the amount of the retainer on account. These refunds need to be requested within 90 days. Should one side fail to provide full payment, issues of reimbursement may have to be addressed to the Court.

Payments can be made by Zelle, money order, check, credit card or cash. Credit card payments will have an additional 3% service fee. Money order or checks can be made out to "Cecilia Powers, LCSW-S" and sent to P.O. Box 911456, Sherman, TX 75091. Zelle payments can be sent to ceciliapowers.lcsw@gmail.com. Returned checks will be charged the maximum fee allowable by law. I understand that I am responsible for any and all fees incurred by the Evaluator in relation to the case, and any and all work done by the Evaluator in relation to the case.

OTHER COSTS:

I understand that each of the parties will be responsible for any fees for production of third-party records or other information related to the evaluation. I understand that if this case settles, costs for postage, copying of records, other administrative costs will be deducted from the retainer. I acknowledge that time in administrative tasks is billed at the standard hourly rate and that copies of records produced by Cecilia Powers, LCSW-S are billed at the same fee as charged by the Grayson

County District Clerk's Office. Additionally, I understand cancellation of any appointment with less than 72- hours' notice will incur a one-hour service fee. After the report is filed, any updates which are ordered will be billed at the standard hourly rate with a minimum of four-hour retainer due in advance. After a final report is made to the Court, I will not have further direct contact with the parties unless the Court orders an update to be conducted.

COURT APPEARANCES:

I understand that if my attorney or I request a court appearance, deposition, or participation in any type of settlement conference by the Evaluator, there will be an additional fee of \$250.00 per hour, with a minimum charge of three hours for personal appearances, or a minimum charge of two hours for telephonic/electronic appearances. Such fees are due at least one week before the scheduled appearance and are non-refundable within a week of the scheduled appearance as Cecilia Powers, LCSW-S must clear her schedule whether the hearing occurs or not. Please note: if an appearance request is received without a minimum of one-week notice, the appearance fee is due immediately and there will be an additional \$250.00 express charge. I acknowledge by signing this document that failure to provide the fee as specified constitutes a release from the requested appearance.

TRAVEL:

I understand that interviews with adults and children will generally be in the homes of the parties. Unless the Court has specifically ordered otherwise, a review of each party's residence is a mandatory part of the evaluation. There is no additional travel for work conducted in Grayson, Fannin, or Cooke Counties. If it is necessary to travel outside of these counties, an additional travel fee may be charged. Travel time is charged per hour, rounded up to the nearest 15-minute increment, at half of the standard hourly rate.

For evaluations requiring airline or overnight travel, I understand that fees are charged for travel time and travel expenses. Such travel time is logged as any time spent between originating airport and hotel and the return from the hotel to the originating airport and is charged as noted above. Travel expenses include the full expense of the airfare, a hotel room, and a rental vehicle with fuel reimbursement or taxi fees, tolls, parking expenses, and any additional travel expenses related to the evaluation. An additional travel retainer will be calculated based on expected travel time and expenses and is due before any travel arrangements will be made. There is no refund on travel expenses, should the case settle before the travel occurs and after travel arrangements have been made.

UNANTICIPATED COSTS:

I understand and acknowledge that unanticipated circumstances may necessitate additional hours of service outside those estimated in the retainer. These include, but are not limited to: additional interviews; extensive telephone contact time; additional document review; any and all procedures to assess new allegations or issues which were not included in the original retainer estimate; and other case specific factors. Should costs rise above the retainer estimate, I understand the Evaluator will notify my attorney and the original retainer will be revised.

CONTACTING THE EVALUATOR:

Outside of telephone contacts regarding scheduling, communication to the evaluator should occur in writing to the mailing address or email address above. The Evaluator may respond in writing or by telephone as deemed appropriate. The Evaluator will generally only discuss administrative issues regarding the evaluation with the parties and their attorneys directly.

SERVICES NOT PROVIDED:

I understand and acknowledge that the Evaluator is not providing, nor am I requesting, therapy, counseling, or any form of treatment. Should these, or other service needs be indicated during the course of the evaluation, appropriate recommendations will be made. I understand that the Evaluator is not providing mediation, parenting coordination, parenting facilitation, or any other service outside of a Child Custody Evaluation. I understand should the Court or the attorneys request the Evaluator to participate in a settlement conference, the Evaluator will do so only as an evaluator and only for the purpose of clarifying, explaining, or otherwise communicating the results of their evaluation and report.

I understand the Evaluator is not an attorney and that if I have any questions regarding legal matters, I should consult with an attorney. I understand that it is inappropriate for someone not trained as an attorney to respond to questions concerning legal matters and recognize that I cannot request the Evaluator to do so. I understand I am to provide my attorney copies of any information I provide to the Evaluator so that proper discovery procedures may be complied with. I understand that the copies of electronic records submitted by me to the Evaluator must be sent through my attorney. I understand that the Evaluator will not review any audio or video recording unless all parties have been provided copies and all parties have agreed in writing for the Evaluator to do so, or the Court has ordered such a review.
